

Mots-fléchés : les nombres de 1 à 7

Nom :

Date :

Compte les doigts, puis écris les nombres correspondants en lettres.

The crossword puzzle grid is composed of the following cells:

- Row 1: A single cell containing the number 1.
- Row 2: A cell containing the number 1, followed by an empty cell.
- Row 3: A cell containing the number 2, followed by two empty cells.
- Row 4: A cell containing the number 2, followed by two empty cells.
- Row 5: A cell containing the number 3, followed by three empty cells.
- Row 6: A cell containing the number 2, followed by one empty cell.

The hand illustrations and their connections to the grid are:

- A hand with one finger up points to the cell with the number 1 in Row 1.
- A hand with five fingers up points to the cell with the number 1 in Row 2.
- A hand with two fingers up points to the cell with the number 2 in Row 3.
- A hand with three fingers up points to the cell with the number 3 in Row 5.
- A hand with five fingers up and another hand with two fingers up (shown in a separate box) points to the cell with the number 2 in Row 6.
