## Parcours codés

Two large square puzzles on a light yellow background. Each puzzle features a central white star with a colored gem in the center. The top puzzle has a purple gem, and the bottom puzzle has a green gem. Surrounding the stars are various colored shapes: stars, circles, squares, diamonds, and triangles. To the left of each puzzle is a vertical column of colored shapes corresponding to the shapes in the puzzle. To the right is another vertical column of colored shapes, some of which are connected to toy images by dotted lines.
