

Observe attentivement et retiens la règle

1. Continue les lignes.

Handwriting practice lines for the number 10. Each row contains a solid example followed by a dotted version for tracing, and then several dotted versions for independent practice.

- Row 1: A diagonal line starting from an orange dot on the top line and ending at a purple dot on the bottom line. This is followed by two dotted versions of the same line and three more dotted lines for practice.
- Row 2: A vertical line starting from an orange dot on the top line and ending at an orange dot on the bottom line. This is followed by two dotted versions of the same line and three more dotted lines for practice.
- Row 3: An oval shape starting from a purple dot on the top line and ending at a purple dot on the bottom line. This is followed by two dotted versions of the same shape and three more dotted lines for practice.
- Row 4: The number '10' starting from a purple dot on the top line and ending at a purple dot on the bottom line. This is followed by two dotted versions of the number and three more dotted lines for practice.
